

We want to hear what **YOU have to say about research!**

Have you completed a research paper or speech using the C.O.D. Library? If so, we want to hear what **YOU** have to say about your research experiences!

Meet with a librarian at your convenience for a 30-minute conversation. We will thank you for your time and thoughts by putting you in a pool to win a **\$100 gift certificate** to the C.O.D. bookstore.
